## Love Notes

PLUS OVER 230 5-STAR GOOGLE REVIEWS

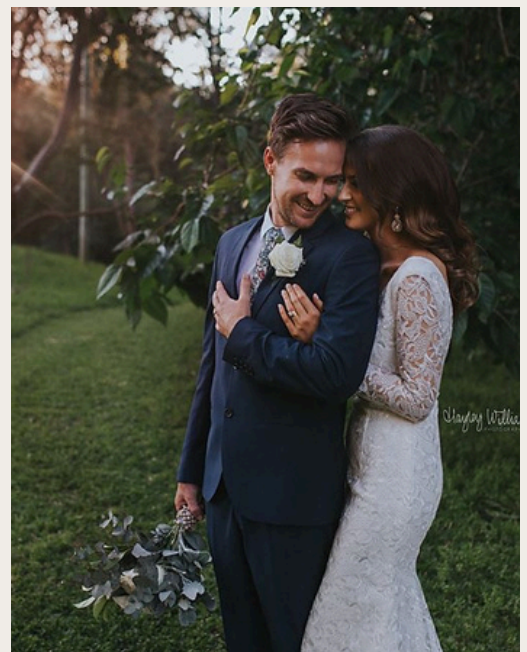

We fell in love with the venue the second we saw it! The team at Bundaleer were absolutely amazing and made our special day run perfectly! I would recommend this venue to everybody because it's stunning and we couldn't have asked for our day to go any better than it did. Oh, and everybody raved about the food! Delicious and perfectly cooked. THANK YOU BUNDALEER

Danielle & Chris

Bundaleer is an amazing Brisbane venue. We were so impressed as were all our guests. Everyone said the food, venue and location were all great. Having BYO alcohol saved us money & meant we could spend this elsewhere. Catherine was our day-of coordinator & she is one of the best people to walk this planet! Felt like she was a best friend who just wanted us to have the most perfect day whatever it takes! It was important to us to choose a venue where guests could uber home in Brisbane and not need to pay for accommodation & Bundaleer was great for this. Highly recommend.

Luke & Nadine

I would 100% recommend Bundaleer to anyone who is looking for their garden wedding fairy tale. We couldn't of asked for a more beautiful venue. From the jacaranda tree, to the marquee, DJ and food, no one had one bad thing to say. It was the most perfect day, and I couldn't have asked for a better place to get married. Thank you to everyone at Bundaleer who helped make our special day, perfect :).
